# Examples of discrimination of men despite State Constitution:

- Obligation of service in Armed Forces (*men only*)
- Absence of programs of men's health (*maternity is protected, paternity is not*)
- Absence of protection from “forced fatherhood” (paternity in marriage “by default” even in case of infidelity, no DNA testing on a man's demand)
- Absolutely one-sided laws of reproduction (only woman may decide, husband's opinion is not important)
- Later retirement for men and so on...

This is how modern equality looks like

# Family institution is in crisis!

- At least (countryside and Caucasus included) 60% of marriages end up in breakup
- After divorce, 95% children are left with mothers
- Men have no rights for their wives' fidelity
- The law of so-called "apartment alimony" has been signed!
- Divorce has turned from a tragedy to a kind of business

Sexism and disrespect? Maybe this is the reason?

There is no wonder, why it happens so often

# Suicide Rates Around the World

Estimated rate of suicide per 100,000 population in selected countries in 2016

Men Women

Maybe, our men feel themselves oppressed and undervalued?

# So, the Conclusion is:

- ✓ Discrimination of men alongside with victories of feminism has unleashed the problem of mistrust between sexes and the situation is worsening
- ✓ Judicial helplessness of men is the key reason of family crisis
- ✓ “Maternal capital” doesn’t work and wouldn’t help to solve the problem of demography
- ✓ Men are human beings, not the expendable materials
- ✓ All-society wellbeing may only be achieved with men, not with the price of their rights and needs

Thank you for attention

# Say it with hate this Mother's Day.

Fathers4Justice are writing to all advertisers this Mother's Day to inform them that the Mumsnet web site carries abusive and distressing anti-male content which promotes gender hatred against men and boys. We believe that the general sexist labelling of men and boys as 'rapists', 'paedophiles' and 'wife beaters' is as unacceptable and offensive as racism and homophobia. Fathers4Justice are asking advertisers to suspend their advertising on Mumsnet until founder Justine Roberts adopts a zero tolerance policy to gender hatred. Promote a message of love, not hate this Mother's Day. Join our boycott of Mumsnet at [www.facebook.com/Fathers4Justice](http://www.facebook.com/Fathers4Justice)
